Respected Parents

19 November 2024

As we approach the end of the school year, the Principal, Staff and Board of Directors of Phoenix Muslim School want to take a moment to express our sincere gratitude for your unwavering support and involvement in your child's education. Your dedication has made a tremendous impact on our school and, most importantly, on the lives of your children.

We have concluded the 2024 internal exams for grades 1-11 and our matriculants will be concluded on the 25th November 2024. We hope to achieve a 100% overall pass rate.

Parents are reminded that all textbooks are returned to school. Damaged and lost textbooks must be replaced accordingly and outstanding fees must be settled.

The grades 1-11 reports will be handed out on the 6th December 2024 from 08:00 am – 11:00am.

To bring this year to a successful close we wish to inform you of events that will take place.

Timelines for events before the end of the 2024 Academic Year:

1. Matric Orientation and commencement of syllabus and textbook distribution for 2025 will take place on the 20, 21 November 2024.

6. The Academic School Year 2025 commences for learners on the 15th January 2025
7. Matric results will be released on the 16th of January 2025; parents will be duly informed to report to school for the statement of results.
8. FET (Grade 10-11) and MATRIC Awards will take place on the 15th February 2025. Awardees will be informed.

We look forward to the December vacation and wish learners a time for rejuvenation and to engage themselves in beneficial activities such as catching up with Quraan, abundant Dhikr and Durood recitation. Learners can maximize their time by getting hooked on books. Parents must monitor learners and engage in a digital detox such as stop the use of digital devices and social media to reconnect with real life.

We would like to remind learners and parents of the importance of adhering to our school's code of conduct. The code of conduct outlines the behaviours and standards expected from both our learners and the parents in our community. By following these guidelines, we can ensure a safe, respectful, and deeni atmosphere for everyone. We look forward to continuing this journey together in the coming year and let us strive to make Phoenix Muslim School a school of excellence. Insha Allah Ameen.
