

RELOCATE REBUILD RENEW

Empowering Young Minds

Phoenix Muslim School, a project of the Orient Old Boys, has been serving the community of Phoenix, KwaZulu-Natal and its surrounding areas for over 25 years. The School currently caters for approximately 600 learners, ranging from Grades 1 - 12.

From humble beginnings, our alumni have pursued careers across various fields including engineering, commerce,

education, pharmacy and medicine. The success of our school would not have been possible had it not been for the ALMIGHTY'S infinite mercy and the generosity of our donors.

We are now embarking on a new phase of development aimed at, amongst other things, the relocation of our existing Girls Campus. We turn to you, our valued benefactors, for assistance with this project.

A New Home for Learning, A New Future for All

The proposed development includes a series of new classrooms located strategically to ensure that there is proper separation and 'pardah' between both male and female learners - so as to maintain an overall Islamic learning environment.

The total cost of the project thus far is approximately R4.5 million

WHICH COMPROMISES:

- 7x New Classrooms At Girls Campus
- 2x Relocated Classrooms

The current Foundation Phase will also be relocated to the vacant land adjacent to the main campus, where they will enjoy a safe and secure environment with ample space for both educational and recreational facilities.

We invite you to assist us and contribute generously toward this noble cause.
